

2024-2025 ANNUAL REPORT

GOD IS ONE STEP AWAY

PATHWAY CHURCH

A NOTE FROM TODD

This past year, we have taken bold steps forward as a church family through the launch of our **All Things New** initiative—kicking off our 10-year vision to plant 100 churches, see 10,000 new followers of Jesus, and impact 100,000 people for Christ. This vision is more than a goal; it is our response to the words of Jesus in the Great Commission: “Go and make disciples of all nations...” It is a personal call to action for everyone in our Pathway Family to live out the Great Commission of Jesus and join Him in making all things new.

Already, God has allowed us to launch 15 micro-campuses, each serving as a powerful outpost for the gospel in places without a healthy gospel presence and in desperate need of the hope of Christ. We have seen our Westlink, Goddard, and Valley Center Campuses support the launch of these micro campuses through prayer, volunteers, and encouragement. This effort takes all of us working together to see the gospel move forward.

We have also experienced God's Spirit moving in unprecedented ways in the lives of people across Pathway. This past year, we celebrated more baptisms than at any other time in our church's history. What's most powerful is seeing our Pathway Family actively sharing their faith and inviting friends and neighbors to experience Jesus. This is a movement that spans all ages and includes people from many different walks of life. Each baptism represents a step of faith, a surrendered heart, and a life forever changed by Jesus. These moments are living testimonies that the Gospel is still the power of God to save, and they fuel our passion to see even more people take this life-changing step. And it doesn't stop there—those who have been baptized are now part of our family, with many joining groups, serving in ministry, and inviting others to encounter Jesus.

None of this would be possible without the faith, generosity, and obedience of the people of Pathway. You have given your time, resources, and hearts so that others might know Him. As we look to the future, I believe the best is yet to come. We are just getting started, and I can't wait to see how God will use us to change lives, transform communities, and lift high the name of Jesus. Let's keep following Him—every step of the way.

TODD CARTER, **LEAD PASTOR**

WHAT'S NEXT

VISION NIGHT: THE NEXT STEPS IN OUR 10-YEAR VISION

Our 10-year vision is all about living on mission—sharing Jesus through real relationships, real conversations, and real love. And it starts with you. On August 25th, at the Westlink Campus, we're coming together to celebrate what God is doing and look ahead to what's next for our church. Be inspired by powerful testimonies and equipped to step confidently into your role in our 10-year vision. Don't just hear about it later—be there when it happens. Register today and make sure you don't miss this incredible night of vision, worship, and community. Let's move forward together, believing that God has more in store for Pathway than we can imagine.

FAMILY FUN WEEKENDS

Get ready for **Four Family Fun Weekends** coming to Pathway this year! These special weekends will be the perfect opportunity to invite your friends, neighbors, and co-workers to experience a great service and a whole lot of fun. They'll also be a chance for our church family to laugh, connect, and build relationships together. Each one will have its own unique twist, so listen for the dates throughout the year—and start thinking now about who you'll bring!

MAKING ALL THINGS NEW AROUND THE WORLD

This spring, we set aside a special weekend to celebrate what God is doing through our global partner, **Missions of Hope International**. Through our All Things New vision, we join hands with MOHI to build a ministry center in the Turkana region of Kenya—a place where the love of Jesus is shared in both word and action. This center houses a school that opens the door to education, hope, and a future for countless children. On this weekend, you have the opportunity to personally sponsor a child in Turkana, helping them attend the very school we are constructing. Together, we change lives and are part of God's story of transformation in this community.

Pathway Anywhere Micro-Campuses

Pathway Anywhere Micro-Campuses exists to bring the transformative love of Jesus to every corner of our community. We are committed to connecting people to Jesus and believe this will help them flourish in every area of their lives. By fostering smaller, intimate communities, consisting of 10-50 people, environments are created where everyone has the opportunity to participate and grow. Pathway Anywhere is more than just a church; it's a movement of people dedicated to following Jesus, supporting one another, and serving others in love.
