

DECEMBER

Director Updates!

We hope you had a happy Thanksgiving! Just a few more weeks of school before Christmas break. The kids have been working so hard on our Christmas program and they are so excited to show you all the songs from the big stage next week!

Our December Bible focus will be on Jesus' birth with Mary & Joseph, angels, shepherds, & wisemen. We will discuss the concept of not just getting things at Christmas, but also giving to others. During December we have many hands-on Bible learning centers so children can experience different aspects of the Christmas story from the Bible as they play, explore, and ask questions. Some classrooms will even do a dramatic play of the Christmas story!

At our Christmas parties we will celebrate Jesus' birthday! Here at Kidslink we emphasize that Christmas is also Jesus' birthday! Preschoolers can easily identify the concept of having birthdays and the fun that goes along with this annual event in their own life. They understand birthday cake, candles, parties, and singing "Happy Birthday". Your child may even ask you to join them in singing Happy Birthday to Jesus at your house on Christmas!
