

## Kidslink Preschool

To parents of 3-year-olds:

Just a reminder that potty training is a prerequisite for preschool! Children are not allowed to wear pull-ups to preschool! If your child has not yet mastered this skill, please call us as soon as possible at 722-1034 to withdraw from Kidslink.

We will be happy to place your child on a wait list and call you later in the year if we have openings. Another option is for your child to attend Kids Day Inn (Mom's Day Out-once a week on Mondays or Thursdays or Fridays) for the coming school year. Please call for more information on this option!

Thank you!
