# OUR PATHWAY FAMILY IS BEING MADE *New*

I believe this with all my heart. God wants to do something new in and through each of us, for a world that needs to be made new in Jesus. Some of us are new to following Jesus and just beginning our journey, and some of us have been following Jesus for a long time, but we all desire for God to make "All Things New". The good news is that is God's plan!

***Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!***  
***2 Corinthians 5:17***

God uses the "New Thing" He is doing inside of His people to bring **New Life Now** to make **Old Things New** and to create **New Things New**. Throughout the history of our Pathway family, since 1959, we have always embraced the "new things" God wants to do in us as individuals and collectively — together as a family. I hope this encourages you because this is the work that Jesus is constantly doing! And ultimately, one day He will make "All Things New". We join Him in that mission every day.

I believe on this journey, we will witness an impact on our community that will touch so many lives over the next 10 years. This is just the beginning of the "New Thing" God is doing in each of us. Just like a seedling taking root, the beginning is so important! We will be able to watch it grow, to see the transformative power of taking next steps in our faith, in our generosity, and surrendering to Jesus in new ways as we join Him to make "All Things New."

I'm excited to see what God does in me, what He does in you, and what He will do through all of us.

OUR  
HISTORY

---

---

## 1959

It was 65 years ago when 40 families began meeting in Peterson Elementary School to form Pathway Church. They were setting up and taking down tables and chairs every week. They were doing portable church!

---

## 1964

Pathway Church grew so much money had to be borrowed to build the first facility at 10th & Tyler. There God birthed small group bible study groups, started children and student ministries, and launched support groups; which nobody else was doing!

---

## 2003

The first service at 2001 N Maize Rd was held with 2300 in attendance. In addition to providing a facility (nearly a million dollars) 10% of the money raised went to provide for church buildings and ministry facilities all around the world.

## 2006

Dr. Gene Carlson retired after 42 years and Associate Pastor, Dr. Todd Carter, became the new Lead Pastor. That same year a groundbreaking was held for an expansion to accommodate the growing children's and student ministries. For that expansion, 15% of all the building fund receipts went to cross-cultural ministries including \$250,000 in relief to the Hurricane Katrina ravaged regions of Louisiana and Mississippi.

## 2012

A new long-term vision was developed which included adding a second site in Goddard. We became a multi-site church, becoming one church in many locations. A permanent facility was constructed and the Goddard campus opened on June 28, 2015, with over 900 in attendance.

## 2017

It's the Great Commission — Matthew 28:19-20; God has called us as a church to connect people to Jesus. It's painful to hear that three out of four people who live in Sedgwick County are not connected to a church. Our church began praying, planning, and searching for the next best launch location/time, and God did a new thing with the launch of the Valley Center Campus.

# A VISION FOR *Growth*

Over the past year, through prayer, our leadership believes that the culture of walking alongside others by seeking them out, serving them, and sharing the life changing message of Jesus needs to continue to grow and be accelerated. God is calling each of us to unleash more and more followers of Jesus, empowering them to reach their friends and neighbors. We envision a future where "Everyone Walks With Someone" becomes deeply rooted in our community.

To cultivate and multiply this culture, we believe God is leading us into a new season over the next 10 years. This journey will be transformative for each of us individually, for our families, and ultimately for the people and community around us. We are confident that as we embrace this new path, we will see unprecedented growth and impact, nurturing the seeds of faith and watching them bloom into a thriving movement that glorifies God and expands His kingdom.

We believe God will plant 100 new churches in the next 10 years. These churches will be established to serve as centers of Christ-centered communities with a Jesus-driven mission. They will offer a place of healing for the hurting, a place for growing strong through the teachings of Jesus, and a place for people to engage in His Great Commission. They will be equipped to seek, serve, and share the life-changing message of Jesus.

**10 YEAR**  
*vision*

Planting 100  
New Churches

10,000 People  
Coming to Know Christ  
and Follow Jesus

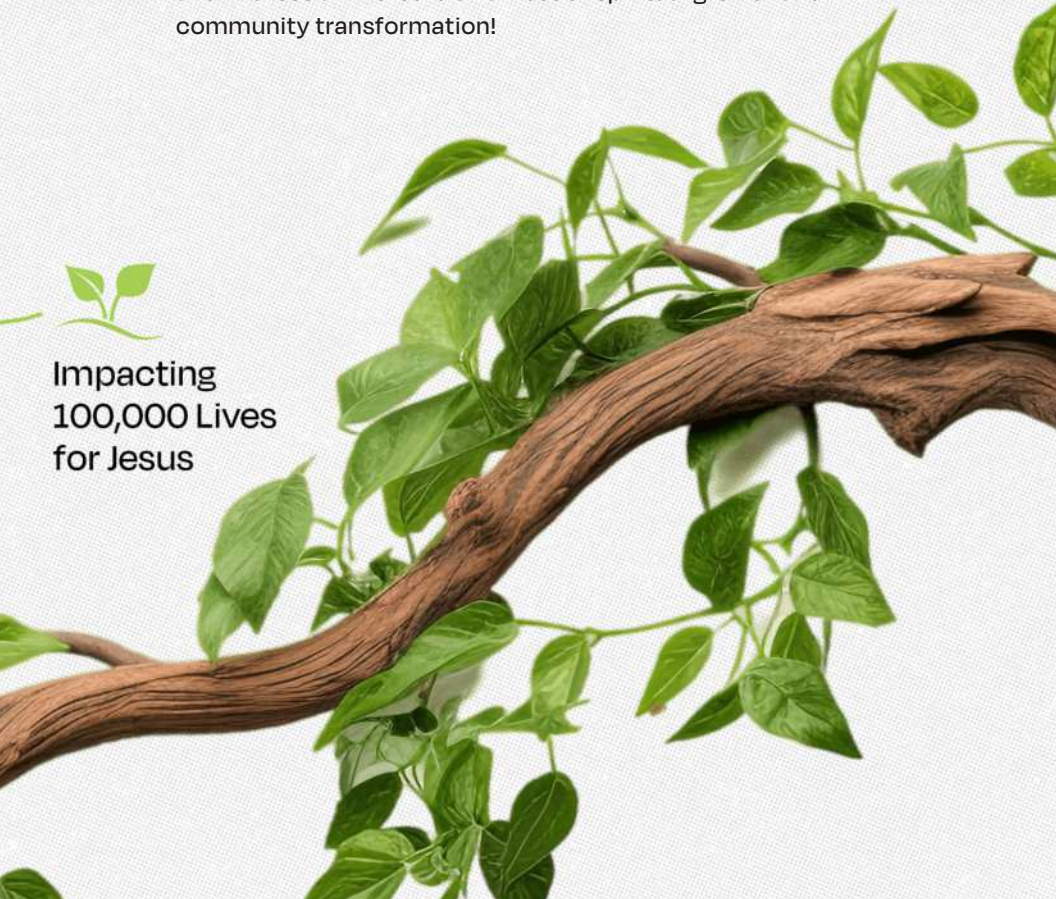

Launching 100 new churches will result in a minimum of 10,000 new followers of Jesus. This is what Jesus does when everyone is following His example of walking with someone.

Leading 10,000 new followers of Jesus will result in God impacting 100,000 lives for Jesus as those new followers live out their faith.

The power of our friends, family, and neighbors embracing Jesus will bring about a transformation that will ripple all over our community. Families will be reunited, relationships rebuilt, and divisions healed as God's love takes root and grows.

We believe God will ignite this massive movement in our church family over the next decade as we impact "the Ones" in our lives. Together, we will nurture these seeds of faith and witness an incredible harvest of spiritual growth and community transformation!

Impacting  
100,000 Lives

## ON A WARM SUNDAY MORNING IN THE SUMMER OF 1976

my husband, kids, and I were out working in the yard and a church bus drove by. It had the name and phone number of a local church painted on the side.

As my husband and I talked about it, we thought it would be good for the kids to go to Sunday School and learn Bible stories the way we had. So, we called the number on the side of the bus and the next Sunday the bus stopped and picked the kids up and brought them home a couple of hours later. This went on for several months, and in December the kids came home and told us they were going to be in the Christmas program and wanted us to come watch them. Of course we did! We went to watch them on a Sunday morning and the following Tuesday the preacher and one of his deacons showed up at our house. The preacher shared the plan of salvation, and I accepted Jesus as my Savior that night. The preacher told me many years later he thought I just prayed with him so he would leave! What he didn't know was that a family member had been witnessing to me for months! I was ready to accept Jesus that night!!

We started going to church that following Sunday. January was Stewardship Month, where we learned about giving of our time, talent, and assets. As a brand-new Christian, I got a month of sermons about giving! At the end of the month, we talked to the preacher about tithing and explained that we both had minimum wage jobs, two kids, and we didn't have a penny left over at the end of the month.

He kept sharing scriptures about God's plan for tithing and that if we honored Him, God could stretch the 90% further than we could stretch 100%. Next question...Gross or Net? Our very wise preacher told us to pray about that and God would give us peace. Finally, we decided we would TRY tithing. In my heart, I was thinking that by Tithing (on NET) I would prove the preacher wrong. I was very good at math. I knew there wasn't 10% to give away.

Well, the year went by and we always paid our bills, kept food on the table, and gas in the car. Every month we offered our tithe and God blessed the 90%.

The following January, and many more to come, we learned more about stewardship and our faith grew. God convicted us on tithing on the gross, not the net. Then at some point we learned about tithing and offerings. We started giving small amounts to Missions and special offerings. What a blessing to learn firsthand that if we were obedient to God's Word, God was faithful to bless us.

Over the years God blessed us with better jobs and our tithes and offerings were more than what our salaries were when we first started to tithe. I came a long way from giving "to prove the preacher wrong" to loving to give to honor God and bless others. I can honestly say I love giving, and that is not my nature. It's a blessing from God because I have tried to be obedient to Him. When I stepped out in obedience God filled me with peace that only God can give.

When I retired seven years ago, I knew I would need to adjust my tithe because my income would be much less. I kept putting off making the change and about a year later as I was thinking that I needed to update my giving, God asked me "Are you not getting along, OK? Are you barely squeaking by?" God and I had a laugh at that. I haven't adjusted my tithe yet!

ALL  
THINGS  
*New*

---

## PRIMARY GOAL

**100% ENGAGEMENT**

"All Things New" is, first and foremost, an initiative to grow us as followers of Jesus. We are at different points in this journey, moving toward new things God has for each of us. As God grows us, He always has something fresh and new. We want to learn new things about God and ourselves. It is our desire for every single person at Pathway to experience the new things God wants to do in and through us and be willing to take the next step of growth in this area of generosity.

We believe that whether you have never given anything before, you're an infrequent contributor, or you give consistently and thoughtfully, there is a new step God is asking you to take in this journey. We are asking you to pray daily and seek Him to discover your personal next step.

## SECONDARY GOAL

**\$16.5 MILLION**

This is a one-fund initiative. That means this number includes our total ministry budget for the next two years to bring "New Life Now" as well as our expansion for our continued vision to reach more people with the message of Jesus by making "Old Things New" and making "New Things New".

## *New* LIFE NOW

**\$11 million over two years** (December 2024-2026)

Currently, more than 5,000 people call Pathway home. New Life Now represents the strengthening of our general budget over the next two years - which is anything but general! This is the engine that brings new life to people every single day by supporting and growing every ministry to help others Follow Jesus, In Community, For Others.

- **ADULTS TAKING NEXT STEPS** | Starting Point, Volunteering, Groups, and Global and Local Outreach where we build the culture of Everyone Walks With Someone
- **WEEKEND EXPERIENCE** | Delivery of the weekly message and worship at every campus and micro-campus where people experience that God is One Step Away
- **NEXT GEN** | Ministry for our kids, middle school, and high school students where parents are equipped to pass on faith, and we get the privilege of partnering with them
- **OPERATIONS** | Administration, staffing, infrastructure, facilities, and communications that empower the mission

# OLD THINGS *New*

**\$2.5 million over two years** (December 2024 - 2026)

Engaging in a bold vision for the future means old things must become new to ensure the seeds of the message of Jesus are spread in the Wichita area for decades to come. The Westlink and Goddard Campuses are important outposts in our community that sow the seeds of the gospel that spout new life every single day.

- \$2.4 million Westlink Campus Refresh of Worship Center, Atriums, IGNITE Center, and Ball Park
- \$100,000 Goddard Campus Enhancement of Atrium and Kids area

# *New* THINGS *New*

**\$3.0 Million over two years (December 2024 - 2026)**

Living out Jesus' mission in our lives means our Pathway family needs to have a bold vision for the new things He wants to do through us both locally and around the world.

- Provide \$2.3 million for land and an initial investment for a Valley Center facility. Our ministry in Valley Center is rapidly growing! The Valley Center Middle School is a great home, but as the campus continues to grow, the next step in reaching more people with the message of Jesus will be to provide a permanent facility.
- Provide \$100,000 to launch 15 new micro-campuses in prisons, retirement homes, community centers, etc. We have the opportunity to extend our Pathway family anywhere by taking the church to the people. We have seen the impact of this at the Hutchinson Correctional Facility, Sedwick County Work Release, Oxford Villa & Oxford Grand, and Sedgwick County Jail micro-campuses.
- Provide \$100,000 to launch a new Pathway Campus. We believe God will open a door and allow Pathway to push against the trend of churches closing in our community.
- Provide \$250,000 to the India Gospel League to build a church and Church Planting Center. The center will be utilized to train Pastors and local community members for business and ministry.
- Provide \$250,000 to Missions of Hope International to build a school and Church Center in Turkana, Africa.

# WHAT'S NEXT?

We are asking you and your family to go on a spiritual journey with God – to take the biggest steps of generosity you've ever taken.

## PRAY

We know that anything is possible with God and that nothing is possible without God. Pray that God will work in your heart and the hearts of the people of Pathway, and that we will listen with the intent to respond.

## ENGAGE

Fully commit to what God wants to do in and through you during this season in our church. Devote this time to letting God develop commitment, vision, and generosity in your life. Come to church, answer the discussion questions, join in the events, participate in your group or join a short-term large group that will meet weekly.

## GIVE

Our gifts will not be the same size in terms of dollars of course, but each of us can invest in a way that truly reflects the same level of love and commitment to Him from our hearts. Ask God to reveal to you what it looks like to give in a way that changes you and take whatever bold steps are required to see it through.

## CELEBRATE

God is going to do amazing things in your life during this season. Share your story enthusiastically with those around you. Encourage others as they take steps of faith and commitment. Celebrate what God is doing in the lives of others at Pathway.

# CULTIVATING *Generosity*

## Growing a Heart for God's Kingdom

Just as a seed sprouts and grows into a flourishing plant, this journey is designed to help you transform the way you view and use money. Moving from seeing money as an idol to using it as an avenue to build God's kingdom, each step represents growth in a lifestyle of generosity and sacrifice. By focusing on the condition of our hearts, we are further transformed into the likeness of Jesus. Embrace this journey of new beginnings and watch your faith and generosity bloom.

---

## INITIAL GIVER

An Initial Giver is someone who decides to give for the first time, out of a response to God's Word about giving. This is someone who decides to give something and trust God and the leaders of the church with this gift. They experience the initial joy of putting Jesus' words into action (Matthew 7:24).

## CONSISTENT GIVER

A Consistent Giver decides to give on a consistent basis to exercise the discipline of giving as a disciple of Jesus. Often, this giver decides to make their gift an online recurring gift and will be learning the joy of consistency. Non-online givers can be consistent givers as well, with intentional planning. They experience the joy of excelling in this grace of giving. (2 Corinthians 8:7)

## PRIORITY GIVER

Someone who understands the pre-eminence of Christ and that He is before all things – that all things were created by Him, for Him, through Him, and to Him. This giver places such a significant priority on their giving that it drives their spending and their saving, as opposed to their spending and saving driving their giving. They experience the freedom of serving "one master" and declaring Jesus is first. (Matthew 6:19-24 and Colossians 1:15-20).

## SURRENDERED GIVER

A Surrendered Giver recognizes that Christ surrendered Himself for us, and therefore we desire to surrender ourselves to Him, in love (Ephesians 5:1-2). This giver would say, "My giving is not just changing my spending and saving. It's also changing me!" They also look at what they're not giving away and ask, "Is it surrendered too?" This informs how they use everything they've been blessed and entrusted with – whether through direct monetary giving or through a God-honoring use of an existing resource (i.e., honoring God with the use of your home, etc.)

## ETERNAL GIVER

An Eternal Giver sees the eternal impact of their giving – on them and on others – not just the immediate programs and ministries it helps accomplish. This giver has been captivated by the knowledge that the more they are led to "do good, to be generous and ready to share," the more they "take hold of that which is truly life" (1 Timothy 6:18-19). This encourages them to keep growing! They make all decisions (big purchases, savings, giving, relationships, areas of service) in light of how it will affect their eternal impact.

# GIFT CHART

Ask God to allow His vision for your life to take root. Using the gift chart as a tool, allow it to inspire and challenge you as God reveals what it looks like to give in a way that grows you toward new generosity and new faith. How does God want to make All Things New in and through you?

# FREQUENTLY ASKED QUESTIONS

## What are you asking me to do?

First and foremost we ask that you pray and seek God's leading on what He is asking of you. Prepare your heart to hear Him, and then listen to what He says. Engage in a Group during this season, if you are not already in one. Engage in personal reflection with God through the All Things New resources (booklet, daily devotionals, messages, etc.). Talk with your spouse, your family, or others about what this commitment will mean for this next exciting season of your life. We are asking that you make a sacrificial commitment to gospel-centered generosity – whatever it is that God leads you to do. Follow His leading.

Finally, we ask that you prepare to be amazed. We serve an awesome God and He is going to move in huge ways! We anticipate an unprecedented impact from our collective All Things New commitments – something only God can bring about. Mark your calendar for Commitment Weekend, November 16/17, and prepare to experience a life-changing worship service that will forever be remembered as a defining moment for our church and for your own faith journey.

## Are there additional gifts besides cash that I can give more toward All Things New?

Be creative as you explore ways you and your family can give toward All Things New. You might have stocks, property, valuables, or other items of that nature. Or, perhaps you have some resources that God has blessed you with in the past which He may now be calling you to share. Let us know if you need assistance with facilitating gifts of property or stock; and we would be happy to help you with that. You can contact Becky Freshour at [becky.freshour@pathwaychurch.com](mailto:becky.freshour@pathwaychurch.com) to make a gift of this type.

## How long is my commitment?

This will be a two-year commitment (24 months). The fulfillment period for your commitment will begin with Celebration Weekend on the weekend of December 7/8, 2024, and it will culminate December 31 of 2026.

## How did the 10 Year Vision for Pathway originate?

Pathway leadership has been praying for the past year about the next 10 years of ministry and asking God for direction. The 10 Year Vision represents a prayerful process asking the question "What does God desire our church family to do for the Kingdom of God in the next 10 years?".

We believe the 10 Year Vision will spread the message of Jesus locally and around the world in a powerful way. Our community and the world will be changed because more people are following Jesus, and these followers of Jesus will impact more and more people. This is what our world needs more than ever! All Things New is the kickoff and represents the first two years of this 10 Year Vision.

### How does All Things New support our 10 Year Vision?

All Things New is the kickoff and represents the first two years of the 10 Year Vision. We believe God is doing a new thing! We can see it at Valley, in our kids and student ministries, and at our micro-campuses! He's already ahead of us! In this two-year adventure, we are seeking God to do a work IN us and THROUGH us, as we continue to connect people to Jesus and help them become His fully-devoted followers.

### What if I have never even given to Pathway before?

This is a "one-fund" generosity initiative; it is different from a traditional capital campaign where you are called to give an extra gift above and beyond your normal giving - thus creating TWO STEPS for people who aren't yet giving. All Things New is a call to sacrificial, Jesus-centered generosity for absolutely everyone at Pathway. If you have never given before, this is your chance to get in the game with a committed sacrifice. We are praying that you will.

### What if I am new around here?

We are so glad you are here! All Things New is about the vision for our church and our personal growth in giving as followers of Jesus. One thing you should know about Pathway is we believe that the local church is the most compelling mission to give toward, and we would love for you to make Pathway your home and join us in All Things New. There is an exciting journey ahead and we would love to have you be a part of it. If you are ready, this is a perfect time for you to put a stake in the ground and make this YOUR church. We want you on the team!
